Join the Collectors Society

Every year, the Museum extends an invitation to our membership to join the Collectors Society. Through yearly dues, members of the Collectors Society have purchased many more important works for the Museum's permanent collections.

The SAMFA Collectors Society also hosts a lecture series every season. From September to May, the series features distinguished guest speakers, all experts in their area, from all over the United States.

Dues for membership in the Collectors Society are \$100 per person, per year. If you are already a member we urge you to renew your membership. Your continued support is always appreciated. If you've never been a member, now is the time to join.

Please return the attached form with your payment to renew your membership with the Collectors Society, or to become a new member. Thank you and we hope to see you soon!
