

# SUMMER CAMPS 2018

## Art Camp All Day Murals 2018

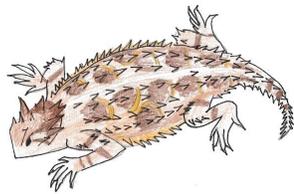

For Art Camp All Day in 2018, We decided that one of our big group projects would be to paint and assemble Murals to go in Paint brush Alley: a popular art spot in San Angelo for displaying Public Art. Both the 7 - 9 year old and 10 - 12 year old groups had a chance to create 2 murals that reflect SAMFA, young artists in San Angelo, and the spirit of Texas.

Bekah Coleman, Curator of Education and Lead Camp Supervisor, came up with the concept and preliminary sketches of the murals. Our Inspiration for the designs came from Nature and Texas Culture. The 4 designs we came up with were a Texas Horned Lizard, a Prickly Pear Cactus, A collection of Texas Wildflowers, and native Texas snakes. The Horned Lizard and Cactus were designated to the 7-9 year old Camp and the wildflowers and snakes were designated to the 10-12 year old Camp. We also decided that three of the murals would be painted, while the fourth would be a collaborative mosaic piece (the snakes)

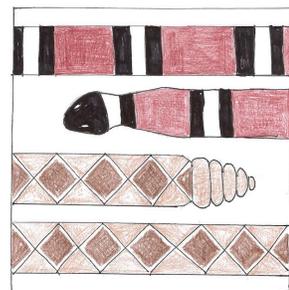

Pre-Sketches of Art Camp All Day Murals

We would like to use metal spikes installed for the cactus needles

- Bluebonnet
- Blackfoot daisy
- Texas hibiscus
- Mexican paintbrush
- Mexican hat

◻ Diamond Back RATTLESNAKE  
◻ MILK SNAKE

# Art Camp All Day: Ages 7 - 9

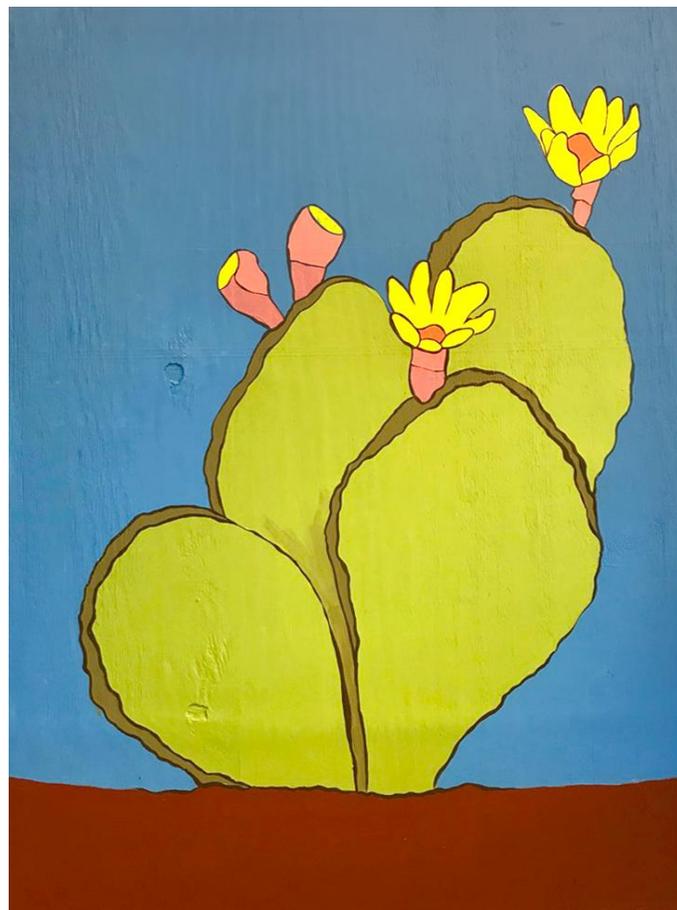

## Texas Horned Lizard

# Art Camp All Day Ages 7 - 9

## Prickly Pear Cactus

One of our concepts for our Prickly Pear was to actually nail in spikes or nails for the thorns. This will give the mural a 3-Dimensional element to the mural and create texture

# Art Camp All Day Ages 10-12

## Texas Wildflowers

The flowers included: Sunflowers, Bluebonnets, Blackfoot Daisy, Texas Thistle, Indian Paintbrush, and Mexican Hat. The Murals were designed as a "Paint-by-number" on a wooden panel.

## Texas Snakes

The two snakes on our mosaic are the Rattlesnake and the Texas Milk Snake.
